## Message from Dr Giovanni Coci

It has come to my attention that some people in Plettenberg Bay have been misinformed that I have closed my private medical practice.

This is incorrect and I wish to assure my patients and the Plettenberg Community that I am continuing to practice as a specialist physician from my consulting rooms situated at 2a Medway Centre, Muller Street, Plettenberg Bay. Together with my team we are actively operating our long established diagnostic centre at the same address.

Kindly note that I am no longer associated with the Mediclinic Plettenberg Bay Hospital.

I would like to take this opportunity to thank all my patients for their loyal support over many years and assure them that I will continue to be available to look after them.

### Turtle hatchlings in Plett.

Keep an eye out for these tiny turtles during  
your beach walks—they're often no bigger  
than a car key. Remember, never return  
them to the water.

If you find a hatchling, alive or deceased,  
please notify our program manager at  
**082 336-2979** or the **Plett Marine Standing  
Hotline at 079 463-4837** immediately.  
Among the frequently encountered  
hatchlings are endangered loggerhead  
turtles, with occasional sightings of  
leatherback turtles in the area. Let's work  
together to protect these precious  
(and endangered) marine species!

**A word fitly spoken is like APPLES OF GOLD in a setting of silver - Proverbs 25v11**

We continue our series of Christ in every book of the Old Testament and today we consider the rock that supplied life giving water for the Israelites whilst they travelled in the desert as recorded in the Book of Numbers chapter 20 verse 8. God told Moses: "Speak to that **rock** before their eyes and it will pour out its water. You will bring water out of the **rock** for the community so that they and their livestock can drink". In the barren wilderness, God constantly provided a never-ending supply of life-giving water - all the people had to do was ask in faith. Paul makes it clear that this is a picture of Christ as seen in 1 Corinthians 10v3: "They all ate the same spiritual food and drank the same spiritual drink; for they drank from the spiritual rock that accompanied them, and that rock was Christ". Friends wherever we are and whatever our situation, Christ is waiting to refresh and restore our souls and satisfy our spiritual thirst as He told the Samaritan woman in John 4v14: "whoever drinks the water I give them will never thirst. Indeed, the water I give them will become in them a spring of water welling up to eternal life". Those of us who drink constantly from the spiritual rock of Christ can testify to how this water satisfies our souls. However, we live in a society that promises that material things and attaining the lifestyle of the rich and famous will give us satisfaction, but we know this satisfaction is fleeting. When I was growing up there was a famous advert featuring a brand of cigarettes being smoked by a famous sportsman who proclaimed: "After action, satisfaction". Many believed and copied him and for a while it seemed to be true, but the result was an epidemic of lung and heart disease. In contrast, because God's love has been poured out into our hearts through the Holy Spirit, who has

been given to us (see Romans 5v5), we are the channel which God uses to supply the life-giving water that Christ wants everybody to drink to satisfy their thirst for contentment. In conclusion, our verse clearly teaches that the life-giving water is for the whole community for them to satisfy their thirst. That means we have a duty to ensure we make everybody aware of the "rock, which is Christ" who offers water welling up to eternal life, so they never have to thirst again for significance, satisfaction and meaning for life.  
Amen, Graeme Greenwood

**PLEASE HELP get Liphelo Mpambani the money he needs....**

Good day  
 I am Liphelo Mpambani a 18 year old Plettenberg Bay resident and a student at York High school in George, I have been playing hockey for several years and have had

opportunities to grow and play for Eden in previous years and for my school's boys hockey first team. Recently I was privileged to be selected with a number of other hockey players to play in a tournament that will be taking part in the Netherlands in September. I feel this is a once in a lifetime opportunity and I would love the chance to play for my team in another country. This opportunity needs for me to raise R55000 to be able to go overseas and I would love to be able to do that with all of my heart, I am pleading with to anyone and everyone to please help me with sponsoring me so that I may go on the trip. I hope I may get a satisfactory response soon.
