Turtle hatchling season

has begun in Plett.
The first hatchling was spotted along Solar
Beach. Keep an eye out for these tiny
turtles during your beach walks—they're
often no bigger than a car key. Remember,
never return them to the water.
If you find a hatchling, alive or deceased,
please notify our program manager at 082
336-2979 or the **Plett Marine Standing
Hotline at 079 463-4837** immediately.
Among the frequently encountered hatch-
lings are endangered loggerhead turtles,
with occasional sightings of leatherback
turtles in the area. Let's work together to
protect these precious (and endangered)
marine species!

the Winter warmer drive

This winter, thousands of people will need your help.

Many of those less fortunate will face the harsh reality of the South African Winter with inadequate shelter or warm clothing.

If you have any unused clothing or blankets, please think of donating it to those who need it most by dropping it off at your nearest Seeff branch and we will forward it to various shelters and charities.

PLEASE HELP get Liphelo Mpambani the money he needs....
Good day
I am Liphelo Mpambani a 18 year old Plettenberg Bay resident and a student at York High school in George. I have been playing hockey for several years and have had

opportunities to grow and play for Eden in previous years and for my school's boys hockey first team. Recently I was privileged to be selected with a number of other hockey players to play in a tournament that will be taking part in the Netherlands in September. I feel this is a once in a lifetime opportunity and I would love the chance to play for my team in another country. This opportunity needs for me to raise R55000 to be able to go overseas and I would love to be able to do that with all of my heart, I am pleading with to anyone and everyone to please help me with sponsoring me so that I may go on the trip. I hope I may get a satisfactory response soon.
